

## **Etrage LLC to Exhibit at 2005 PTC / USER World Event in Orlando, FL**

**Waltham, MA – May 26, 2005** – Etrage LLC, The Engineering Automation Company, today announced that the company will be exhibiting in Booth 400 at the 2005 PTC / USER World Event in Orlando, FL June 5 – 8.

“We will be demonstrating our new Engineering Automation Environment and the new features of PSI – Plot Service for Pro/INTRALINK,” stated Bojan Rapaic, founder and president of Etrage LLC. “The engineering automation environment supports allows for rapid design development and feature based design to order functionality. PSI supports creation of ProductView files from very large Pro/ENGINEER assemblies and creation of PDF files from drawings with embedded files such as images of spreadsheets,” Mr. Rapaic continued.

“The functionality of PSI continues to be enhanced to meet customer requirements,” said Ron Zabilski, director of sales and marketing. “I invite all attendees of the 2005 PTC / USER World Event to visit booth 400 to learn about the Etrage Engineering Automatic Environment. Those who are also interested in learning about automatic plotting or communication file creation, bring a CD with Pro/ENGINEER models and we’ll demonstrate PSI with your data.”
