

## **ETRAGE LLC Offers Development Services for PTC's Advanced Pro/TOOLKIT for Pro/ENGINEER Wildfire**

**Waltham, MA – April 20, 2007** – ETRAGE LLC, the Engineering Automation Company, today announced that an agreement has been signed with PTC, that allows ETRAGE to offer engineering automation and application development services using Pro/ENGINEER Wildfire 3.0 Advanced Pro/TOOLKIT for 3D Drawings to customers who have also purchased the Advanced Pro/TOOLKIT for 3D Drawings.

The Advanced Toolkit for 3D Drawings provides API's to automate Wildfire 3.0 processes for annotation features, 3D notes, driven and reference dimensions, surface finishes, and datum tags. The Advanced Toolkit also provides access to Mechanical objects stored in the Wildfire 3 models.

"ETRAGE LLC has been providing PTC customers with automation and system integration solutions using Pro/TOOLKIT for the past five years," stated Andy Barlow Senior Director of Business Development at PTC. "Using the Advanced Pro/TOOLKIT for 3D Drawings ETRAGE will be able to provide even higher level automation solutions," He continued.

"Engineering automation and Pro/TOOLKIT development services are Etrage's forte. We have been approached by several PTC customers to provide applications with the Advanced Pro/TOOLKIT for 3D Drawings. We are glad that PTC offers this Advanced Pro/TOOLKIT product because it will help PTC customers realize an increase in benefits of automation in their design and manufacturing processes." advised Bojan Rapaic, President and Development Director for ETRAGE LLC.
