

ETRAGE LLC Announces Services and Products Support for PTC® Pro/ENGINEER® Wildfire® 4.0

Waltham, MA – January 16, 2008 – ETRAGE LLC, the Engineering Automation Company, today announced that their services and products support the new release of Pro/ENGINEER® Wildfire® 4.0.

ETRAGE has been offering Pro/TOOLKIT® development services and products for Pro/ENGINEER for the past five years. “We will continue these efforts with ETRAGE’S support of Pro/ENGINEER Wildfire 4.0,” stated Bojan Rapaic, president and director of Development at ETRAGE.

ETRAGE supports Pro/ENGINEER Wildfire 4.0 with engineering automation, Pro/TOOLKIT developments and integrations with business development applications. ETRAGE product support also includes PSI for Windchill® and Pro/INTRALINK® for the automatic creation of communication format files such as PDF, ProductView™ and STEP.
