

ETRAGE LLC AND TWI to Present Lean Product Development Tools at PlanetPTC Live, Las Vegas

Waltham, MA and Cicero, IN – June 2, 2011 – ETRAGE LLC and TWI announce they will be presenting tools for Lean Product Development, at PlanetPTC Live in Las Vegas, NV on Monday, June 13th in the Octavius 20 Room from 11:30 am to 12:15 pm.

During the presentation, tools will be demonstrated for:

- Bulk loading of CAD models to Windchill
- Managing and reporting CAD model quality
- Reviewing and mark-up of drawings and models managed by Windchill
- Creation of viewable format files from drawings and models in Windchill
- Management of viewables stored in a Windows file system

In addition, these tools will be demonstrated at the Etrage / TWI booth #201 in the Exhibit hall.
